

online  
certification &  
training

## Welcome to AYSO online Training for Volunteers

AYSO is pleased to make online training available to all AYSO registered volunteers.

You will need your AYSO ID number to access the courses and your region must have registered you in current membership year or the previous membership year.

If you have a problem accessing the training courses, contact your regional CVPA or send an email to the AYSO Member Services Department at [joanbuffandeau@ayso.org](mailto:joanbuffandeau@ayso.org).

**I have my AYSO ID number**  
Take me to the course list.

### How do I get an AYSO ID number?

If you have not yet submitted a volunteer application, you may begin the process by completing an application using AYSO's online service at [www.eAYSO.org](http://www.eAYSO.org). Click on the First Time button and follow the instructions in the subsequent pages to become an AYSO Volunteer. The system will also provide you the ability to create a profile consisting of your email and password. When you've completed the online Volunteer application, print a copy, sign it and contact your CVPA who can then provide your AYSO ID number.

### I don't know my AYSO ID number.

If you have submitted an application to your region in current membership year or the previous membership year or know you are currently registered but do not know or have forgotten your AYSO I.D. number, please contact your regional Child & Volunteer Protection Advocate (CVPA) or send an email to [joanbuffandeau@ayso.org](mailto:joanbuffandeau@ayso.org).
